“ Sis, you left me broken. I had so much to say to you. Words unspoken; I love you, how can I make it better, let me hold you in my arms, do you remember... The list goes on and on. Georgia, I miss you more than words can express. If I could get one wish today on my Birthday, I would wish that I can see you again. I Love you so much. Your sis Cathy.

I'm never lost for words to ever express how I feel about anyone, or anything. But, losing you my dear sister has left a hole in my heart ❤️ as if a dagger has pierced it all the way through. 😭 I am just totally lost to express how deeply my heart ❤️ is broken & bleeding ☐ on the inside. It seems as if we didn't take the time-out to actually say, "Goodbye!" 😭😭😭
I miss your beautiful smile, your laughter, & your loud voice each time we would talk on the phone
I miss you so very much, until the pain & the heartache seems so unbearable. Sis, I must accept the fact that you're "Gone, but - never Forgotten!" I love ❤️ you my dear sister, eternally! ❤️

“ TT, you really left a big hole in my heart. I don't know how I'll do life without you. You were literally my second mom. I really wish this was a nightmare. I'll never be the same. 💔😞🤔😭
