“ *Matilda was a ray of sunshine when my husband and I first met her at a Black History gala affair held at the former NCO Club of March Air Force Base in Moreno Valley, California. Although, we didn't keep in close contact, Matilda and I attended a couple of gatherings at the home of our mutual friend, Peggy. It was good conversations and fun every time being around her. Sending condolences to the family.*

Matilda was a strong, positively motivated cousin, friend and all around "SISTA". We incourged each other in our early years in Baton Rouge. I clearly remember her beautiful December wedding. She is forever in my heart. Fly high my beautiful Angel.
