“ I remember the 1st time meeting u and ur sister. Yall came in like u had been knowing me forever. No introduction just laughing and stealing my baby (Taye) dressing her up to roll with yall and Ronni. I never forget the day I saw u in the store holding Big D and he was 5 yrs old and bigger than u. But that was ur baby! 😭  
Just so many memories and that's all we have left. But Ima smile bc I know you are okay and at peace with ur brother. I will miss you and all the joy and laughter you bring. Always □□□□

“ Words can not express the sorrow I feel within my heart for this family’s loss. You were the kindest soft spoken person I’ve ever met and always so friendly and easy going. Just like family to me, I pray that God covers your family and kids heart during this time of heartaches and sorrow. I pray he give them peace and understanding to go on to hold on to all the beautiful memories y’all shared together because I’ve never met a family who done it better. Praying continuously for the family 🙏💔💔💔💔💔💖
