

Mr. Raymond Dyson

April 26, 1955 - April 12, 2024

Raymond Dyson, a devoted spouse, father, and esteemed Army National Guard veteran, peacefully passed away on April 12, 2024. Born on April 26, 1955, in Independence, Louisiana, Raymond's upbringing on a dairy instilled in him a resilient cowboy character.

Throughout his life, Raymond remained steadfast in his commitment to his loved ones. His union with Susan Dyson on July 13, 1991, blossomed into a 32-year journey filled with love. Together, they nurtured three children: Casey Zanders (Odessa, Texas) Amy Dyson (Tickfaw, LA), and Paris (RJ) Dyson (Boston, MA). Each child brought immense happiness to Raymond's world. Additionally, Raymond was blessed with five grandchildren: Ire'yana Zanders, Casey Zanders Jr, Xavier Zanders, Kaitlyn Triggs, and Kaleb Bates, and one great-grandchild: Kai Mims, each holding a special corner in his heart.

Raymond's valor and dedication to his nation were evident during his honorable service spanning 12 years in the Army National Guard. He exemplified the principles of honor, courage, and commitment, leaving an indelible mark on those he served alongside.

Renowned for his industrious spirit, Raymond served as a beacon of inspiration to all who crossed his path. His zest for life was infectious, as he embraced every moment and cherished the bonds forged with family and

friends. Raymond's unwavering optimism and warm demeanor ensured that no one remained a stranger in his presence. Raymond's dedication to Freemasonry added an extra dimension to his legacy of service and fraternity.

Though Raymond Dyson may have departed, his legacy endures in the hearts of those who held him dear. He leaves behind a profound impact and a treasury of memories that will echo through the generations to come.

Raymond is survived by his loving wife, Susan Dyson, and his three children: Casey Zanders, Amy Dyson, and Paris (RJ) Dyson. He is also survived by his five grandchildren and one great-grandchild. Brothers and sisters, and nieces and nephews.
