“ We are sending our Deepest Condolences, Love & Prayers to the Wheat Family. Reggie as we remember him went to School with us and we all grew up together with the Wheat Family & got to know them through My Aunt Georgia Mae & Uncle Oliver Foster. Reggie was a great Carpenter & gave his Expertise on a Project we were working on. He was always Respectful & a Kind person. We will miss Him & continue to lift his Family up in Prayer during this Difficult Time.

Respectfully

❤️ ❤️ Deon & David Franklin

“ To the Wheat Family, From Anthony Wilson and Family, we send our deepest condolences , love and sympathy, It saddens my heart to hear of a dear loss of a friend, Reggie and I go far back as middle school, we became best friends the first time we met, because we made each other laugh and smile all the time, even when we had finished school, got married and had families of our own we would continue to communicate from time to time, he will be sadly missed but not forgotten in the memories of all those who lives he touched with his warm demeanor, rest well Big guy!!
